

The Clyde Ranch

The Clyde Ranch

The Clyde Ranch is spacious modern styled ranch home with a floor plan that is flexible and can be customized to meet your individual living style. This model has many options available including hardwood floors, custom kitchen choices, a main floor laundry, nine foot first floor ceilings, gas fireplace , a walk out basement when grade allows and a finished basement. The base model is a 3 bedroom home with 2 baths. The front elevation can be done in Stone, Brick, Siding or a combination of all three. We welcome your custom revisions! Please inquire with one of our sales staff for more information and options.
